Talk to a TeraTech representative to see what we can do for you!

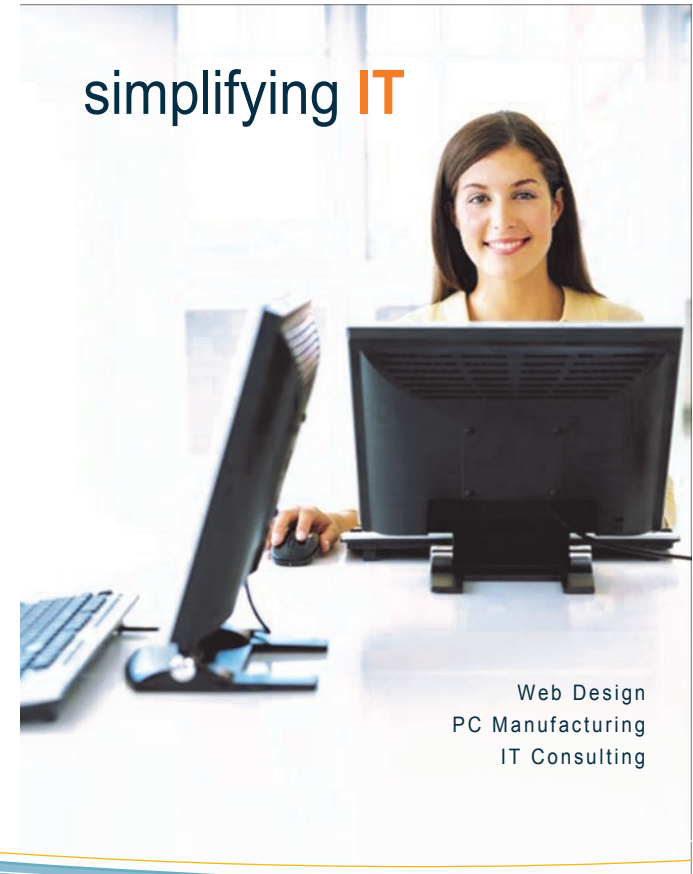

About TeraTech

TeraTech was founded in early 2009 by Ryerson Business Technology Management major Sunil Sanan, with the dream of providing small businesses with innovative information technology solutions.

In late 2009, Sunil assembled a group of nine hard working managers to ensure that the dream of TeraTech could be realized by companies around the globe.

Long Term Goals

- Satisfy 99.99% of all clients
- Become a well recognized IT solutions firm
- Build a positive reputation
- Build strong relationships around the world
- Expand services and infrastructure to Trinidad and Tobago

TeraTech 2010

Looking to improve the world

ONE BUSINESS AT A TIME

Is your company ready for the future?

IT SUPPORT SOLUTIONS

- CUSTOMER RELATIONSHIP MANAGEMENT (CRM)
- ENTERPRISE RESOURCE PLANNING (ERP)
- CONTENT MANAGEMENT SYSTEM (CMS)

Customers are always looking for easier and more cost effective ways of conducting business. That is why it is important for modern companies to run as cost efficient as possible. Automating your business processes with TeraTech can ensure that your company maintains a competitive advantage well into the future.

flexible solutions for your business needs

APPLICATION MANAGEMENT

TeraTech understands the importance of training staff to understand and utilize new IT deployments. For that reason, TeraTech offers services to ensure that every employee receives the proper training necessary to maximize the return on investment for new IT applications.

ENTERPRISE MANAGEMENT

Collaboration and communication has always been a major success factor in modern business. With competition increasing heavily, TeraTech offers solutions that can help your employees manage themselves better. Building a way to allow employees to communicate is now just as important as having information at your fingertips. We can help ensure your company is prepared for the future!

PC MANUFACTURING SOLUTIONS

The hardware infrastructure supporting business operations is vital to the success of any business. TeraTech can ensure your company has the necessary tools to better serve your customers.

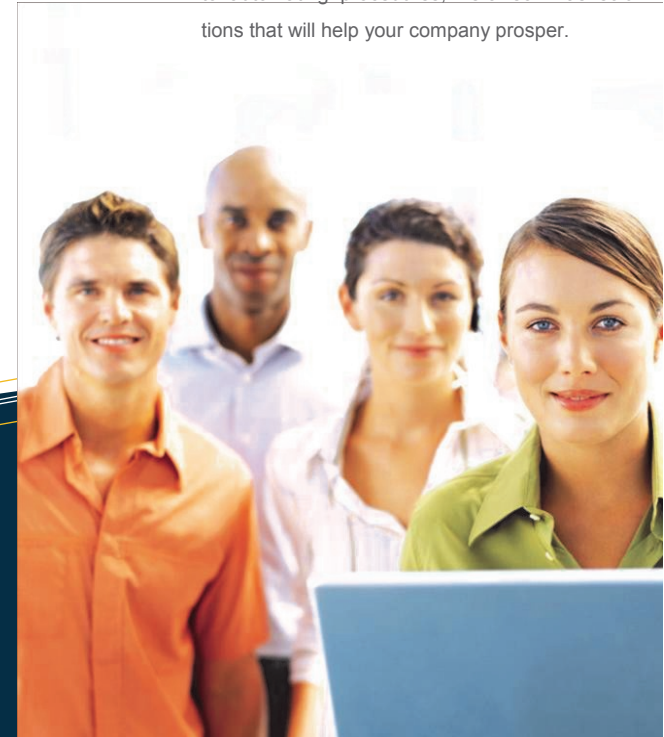

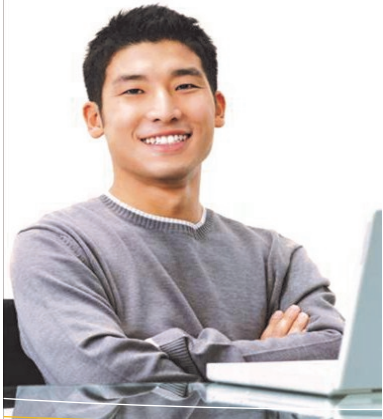

WEB SOLUTIONS

Take your company to the next level by expanding the reach of your services! We can offer innovative websites that are designed to attract new customers as well as ensure you receive maximum exposure on the world wide web!

CONSULTING SERVICES

TeraTech offers a wide range of consulting services to enhance business processes in your company. From business process reorganization to automating procedures, TeraTech has solutions that will help your company prosper.
